Filed: March 27, 2013
Applicant: CHD Bioscience, Inc.
Mark: VERIOX
For: All-purpose disinfectants for medical instruments, healthcare facility surfaces, and for coating medical bandages; irrigation solutions, namely, medical cleansers for wounds; coatings for surgical implants and medical devices, namely, antimicrobial coatings to prevent the growth of viruses, bacteria, spores, biofilms and fungus on various surfaces; antibacterial creams and ointments for use in dental procedures; pharmaceutical preparations for the treatment of pulmonary infections; all-purpose disinfectants (Cl. 5); coatings sold as an integral component for medical sutures, medical bandages and implantable medical devices (Cl. 10)
Published: Dec. 24, 2013

VERTEX PHARMACEUTICALS
INCORPORATED,

Opposer,

v.

CHD BIOSCIENCE, INC.

Applicant.

NOTICE OF OPPOSITION

United States Patent and Trademark Office
Trademark Trial and Appeal Board
P.O. Box 1451
Alexandria, VA 22313-1451

Sir or Madam:

Vertex Pharmaceuticals Incorporated ("Opposer"), a corporation organized and existing under the laws of the Commonwealth of Massachusetts and having its principal place of business at 50 Northern Avenue, Boston, MA, 02210, believes that it will be damaged by registration of the mark

shown in Application Serial No. 85/887,894 filed on March 27, 2013, and thus hereby opposes said application on the grounds that:

1. Application Serial No. 85/887,894, filed by CHD Bioscience, on March 27, 2013, seeks registration of the mark VERIOX in connection with “All-purpose disinfectants for medical instruments, healthcare facility surfaces, and for coating medical bandages; irrigation solutions, namely, medical cleansers for wounds; coatings for surgical implants and medical devices, namely, antimicrobial coatings to prevent the growth of viruses, bacteria, spores, biofilms and fungus on various surfaces; antibacterial creams and ointments for use in dental procedures; pharmaceutical preparations for the treatment of pulmonary infections; all-purpose disinfectants” in International Class 5, and “Coatings sold as an integral component for medical sutures, medical bandages and implantable medical devices” in International Class 10.

2. Application Serial No. 85/887,894, filed by CHD Bioscience, was filed on March 27, 2013, based on an intent to use the mark in commerce.

3. Opposer has used and continues to use the marks VERTEX and VERTEX (plus design) in connection with pharmaceutical research services since at least as early as November 4, 1989, and in connection with pharmaceutical preparations since at least as early as July 13, 1994. Opposer intends to continue using its VERTEX-formative marks with the same and/or related goods and services in the future.

4. In addition to other applications and registrations for its VERTEX marks, Opposer is the owner of the following registrations for VERTEX-formative marks:

VERTEX: Registration No. 1,630,448; registered on January 1, 1991; for pharmaceutical research.

VERTEX (plus design): Registration No. 2,578,974; registered on June 11, 2002; for pharmaceutical preparations for the diagnosis, treatment or prevention of hepatitis-C, autoimmune diseases, and HIV infection and AIDS; pharmaceutical research services for others.

VERTEX: Registration No. 2,704,913; registered on April 8, 2003; for a housemark for pharmaceutical preparations.

VERTEX (plus design): Registration No. 3,531,356; registered on November 11, 2008; for a housemark for pharmaceutical preparations

Records of the registrations are attached to this Notice as Exhibit 1.

5. Opposer's registrations remain in full force and effect, having neither been revoked nor canceled. Furthermore, three of the four registrations owned by Opposer for the VERTEX and VERTEX (plus design) marks have attained incontestable status.

6. Opposer has been using its VERTEX-formative marks since prior to Applicant's filing of the above-identified Application and Applicant's first use of its proposed mark.

7. Through Opposer's significant and long-term promotional and sales activities, Opposer's VERTEX-formative marks identify Opposer as the source of the relevant goods and services to the relevant segment of purchasers, and embody extensive goodwill with high industry recognition.

8. The goods described in the Application are identical to and similar and/or related to the goods and services that Opposer sells in connection with its VERTEX-formative marks, and are likely to be sold through the related marketing channels to the same class of purchasers.

9. Applicant's mark VERIOX is confusingly similar to Opposer's VERTEX marks.

10. Applicant's use and registration of the proposed VERIOX mark will cause purchasers, prospective purchasers, users and others to be confused, mistaken or deceived into the belief, contrary to fact, that Applicant's goods emanate from or are sponsored or approved by Opposer or are related to Opposer's goods and services, thereby damaging Opposer.

WHEREFORE, Opposer prays that the present opposition be sustained and registration of the VERIOX mark sought by Applicant be refused.

Dated: February 21, 2014
